(b) A violation of this section is a Class C misdemeanor.

SECTION 5. Tennessee Code Annotated, Title 2, Chapter 10, Part 1, is amended by adding the following as a new, appropriately designated section:

2-10-1__.

(a) As used in this section, "independent expenditure" means money spent for a communication expressly advocating the election or defeat of a clearly identified

candidate which is not made with the cooperation or with the prior consent of, or in consultation with, or at the request of, or suggestion of, a candidate or any agent or authorized committee of the candidate.

(b) Any corporation making independent expenditures totaling more than one thousand dollars (\$1,000) with respect to any election shall be required to electronically file expenditure statements with the registry of election finance every ten (10) days once the corporation's expenditures total one thousand dollars (\$1,000). Such statements shall be made available on the registry's web site within forty-eight (48) hours. Each statement required by this subsection (b) shall include transactions occurring since the preceding statement. The registry shall develop appropriate forms for a corporation to file expenditure statements and make such forms available on the registry's web site.

(c) The expenditure statements filed with the registry of election finance shall include the following information:

(1) Name, address, telephone number, city, state, zip code and email address of the corporation;

(2) Summary of independent expenditures showing the aggregate amount; and

(3) Itemized independent expenditures made, including the full name and address of each person to whom a total amount of more than one hundred dollars (\$100) was paid during the period for which the statement is submitted, the total amount paid to that person, and the purpose of the payment. Any purchase made with a credit card shall also be disclosed as a payment to the vendor providing the item or service. Credit card payments to separate vendors shall be disclosed as separate expenditures. The statement shall list the total amount of

expenditures of one hundred dollars (\$100) or less each, by category, without showing the exact amount of or vouching for each such expenditure.

SECTION 6. This act shall take effect upon becoming a law, the public welfare requiring it.
